

ELECTRIC · REMOTE CONTROL

Pergola Classic

The all weather pergola. A quiet electric drive and remote put the roof in your hand. Close the louvres and stay dry: rain drains through the posts. Add warm white perimeter LED lighting around the frame and the evening doesn't end when the sun goes down.

From £7,550

inc VAT · 3 × 4 m · any finish, either mount

Key features

- **Electric louvre roof** with a quiet motor and wireless remote
- **Perimeter LED lighting around the frame**, optional: warm white 3000K (not dimmable), £0 when selected
- **Waterproof when closed**, with integrated gutters draining through the posts

- **135 × 135 mm post section**, 162 × 162 mm base plates
- **Freestanding or wall-mounted**, same price
- **Custom height** from 2,100 to 2,800 mm
- **Designed in Germany. Made in the EU.** Made to order

Finishes (same price)

- Anthracite frame and blades (RAL 7016)
- Anthracite frame and white blades
- White frame and blades (RAL 9010)

Sizes and prices

Size (nominal)	Area	Price inc VAT
3 × 4 m	12 m ²	£7,550
3 × 5 m	15 m ²	£8,071
3 × 6 m	18 m ²	£9,899
3.5 × 4 m	14 m ²	£8,400
3.5 × 5 m	17.5 m ²	£8,921
3.5 × 6 m	21 m ²	£10,749
4 × 4 m	16 m ²	£8,849
4 × 5 m	20 m ²	£10,649
4 × 6 m	24 m ²	£11,899

Each size is the same price in all three finishes, freestanding or wall-mounted, with delivery included. Prices from [sunnier.co.uk](https://www.sunnier.co.uk) on 15 October 2026. Autumn Sale prices shown; prices rise by around 20% when the sale ends.

Good to know

- **Included:** frame, electric louvre roof, wireless remote, integrated gutters, delivery and all necessary fixings. Allen keys (4 and 5) are supplied. Decking fixings aren't included.
- **Power:** a 220 to 230V supply for the motor, LED and heater, connected by a qualified electrician.
- **Made to order:** built after you order. Delivery is included and typically takes 4 to 6 weeks.
- **Putting it up:** self assembly, or an introduction to our independent installation partner.

Technical specification

Roof	Electric louvre roof, wireless remote
Height	2,350 mm standard to underside of beam; custom 2,100 to 2,800 mm
Beam height	150 mm

Options and add-ons

Option	Price inc VAT
Custom height, 2,100 to 2,800 mm	£250
Manual side screen	£582 to £1,493
Solar side screen, remote, no wiring	£862 to £1,657
3 kW black infrared heater, remote, WiFi, IP65, 9 heat levels	£199
Perimeter LED lighting around the frame	£0 when selected

Side screens come in white, anthracite grey or black (same price), in widths of 300, 350, 400, 450 and 500 cm and drops of 120 to 370 cm, chosen by side in the configurator. The standard drop suits the standard 2,350 mm height. The same screens and prices are offered on Essential.

Installation is by independent teams, not by Sunnier. Ask for an introduction to our installation partner, who covers England, Scotland and Wales and quotes separately; typically from £660 inc VAT. You agree the timing with them directly. Nothing is added to your Sunnier order.

Electrics: we recommend a qualified electrician to provide the supply.
